

Negative Ion  
**Sterilize and Purify**

Aroma Function  
**Pressure Relief**

PM2.5 Detection  
**Display the Data**

4 Colors LED  
**Visible Reminder**

USB Output  
**Charger Other Devices**

Gesture Switch  
**Safe Driving**

HEPA Filter  
**Highly Purify**

Metal Housing  
**Fingerprint-proof**

# FS105 FUNCTIONS

## NEGATIVE ION

Sterilize and Purify

## AROMA FUNCTION

Pressure Relief

## PM2.5 DETECTION

Display the Data

## 4 COLORS LED

Visible Reminder

## USB OUTPUT

Charge Other Devices

## GESTURE SWITCH

Safe Driving

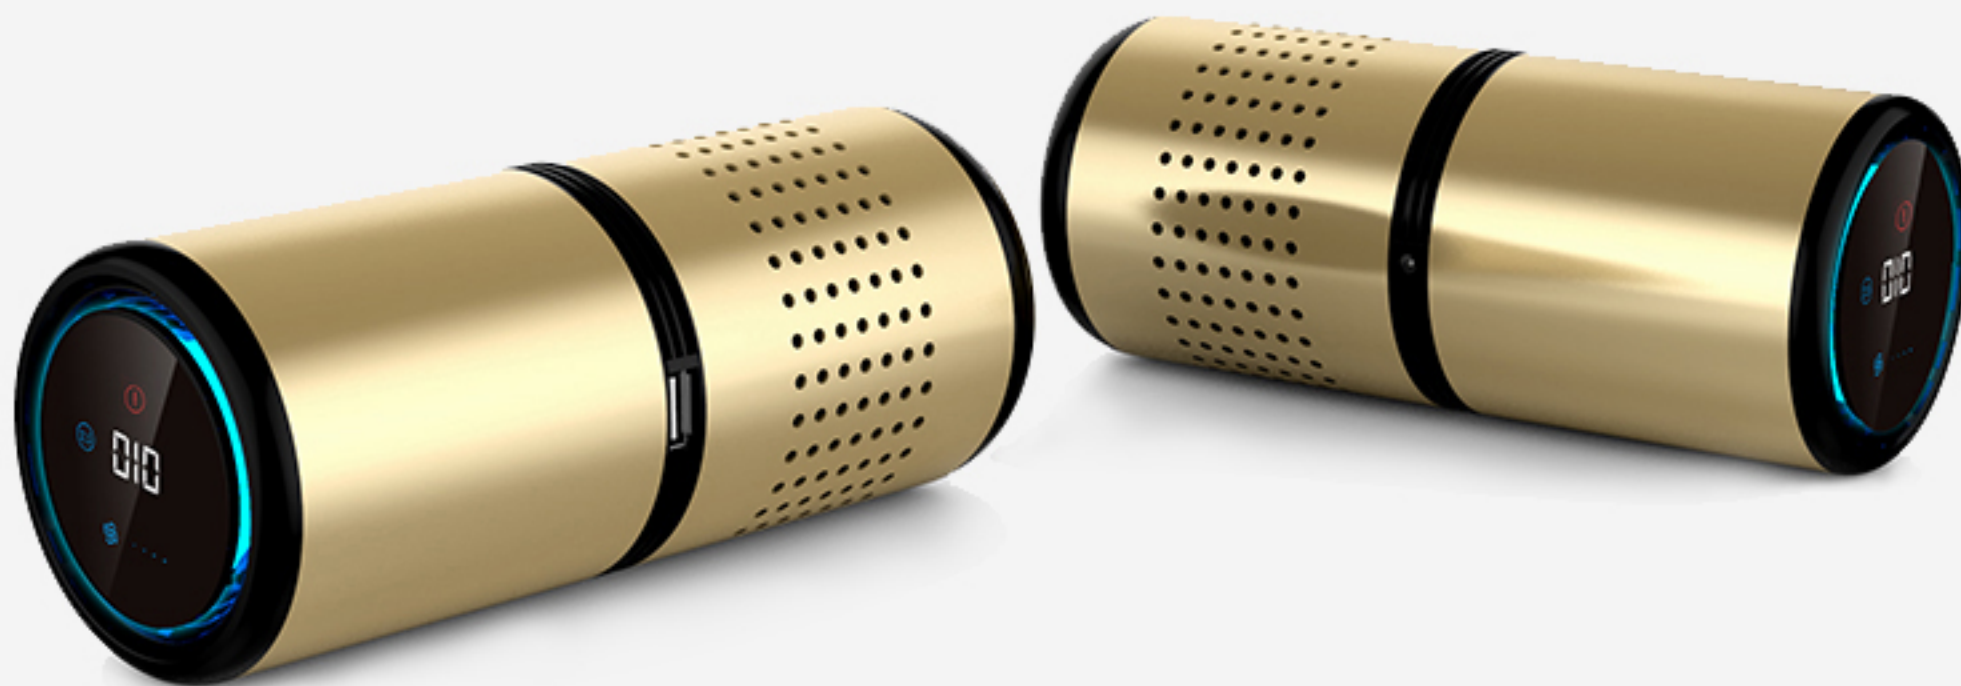

## HEPA FILTER

Highly Purify

## METAL HOUSING

Fingerprint-proof

# INTELLIGENT SENSORS

FS105 automatically detects the surrounding air condition and displays the data in real time.

- Displaying Real-time Air Quality
- Swiss Temperature & Humidity Sensor
- Sharp's Dust Sensor

# DUAL PURIFYING WAYS

3million pcs of Ions per  $\text{cm}^3$  & Real HEPA 13 Grade Filter

360 ° barreled filter purify the three-dimensional intaked air to clean the PM2.5, dust, smoke, etc.

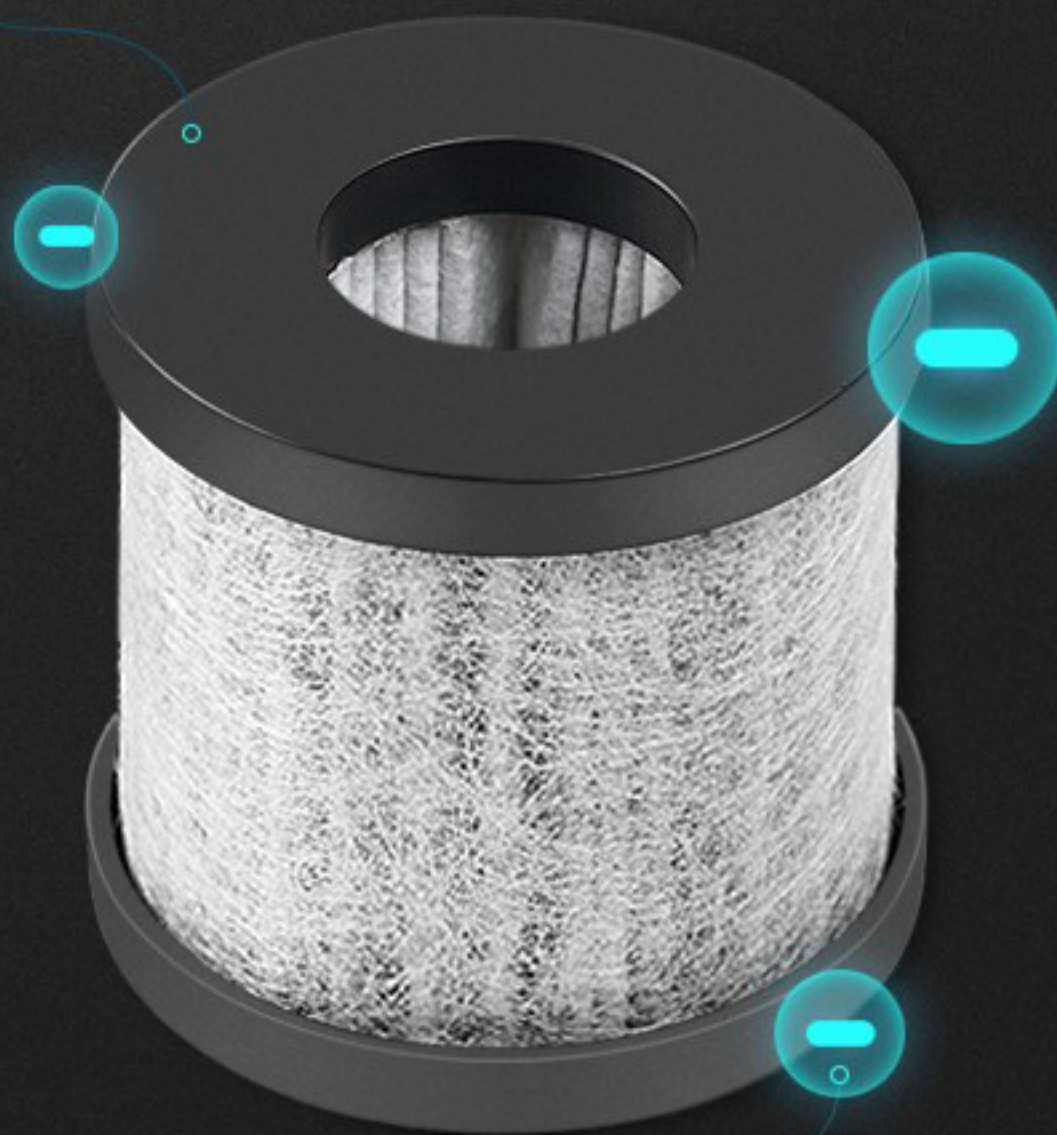

# Dual Purification Ways

## HEPA & 360° Barreled Filter

360° barreled filter purify the three-dimensional intaked air to clean PM2.5, dust, smoke, etc.

### Sterilization

The negative ions can destroy the bacteria's protein and kill it.

### Purification

The negative ions attract PM2.5 in the air to form the into cluster and fall down.

## 01 PRIMARY FILTER

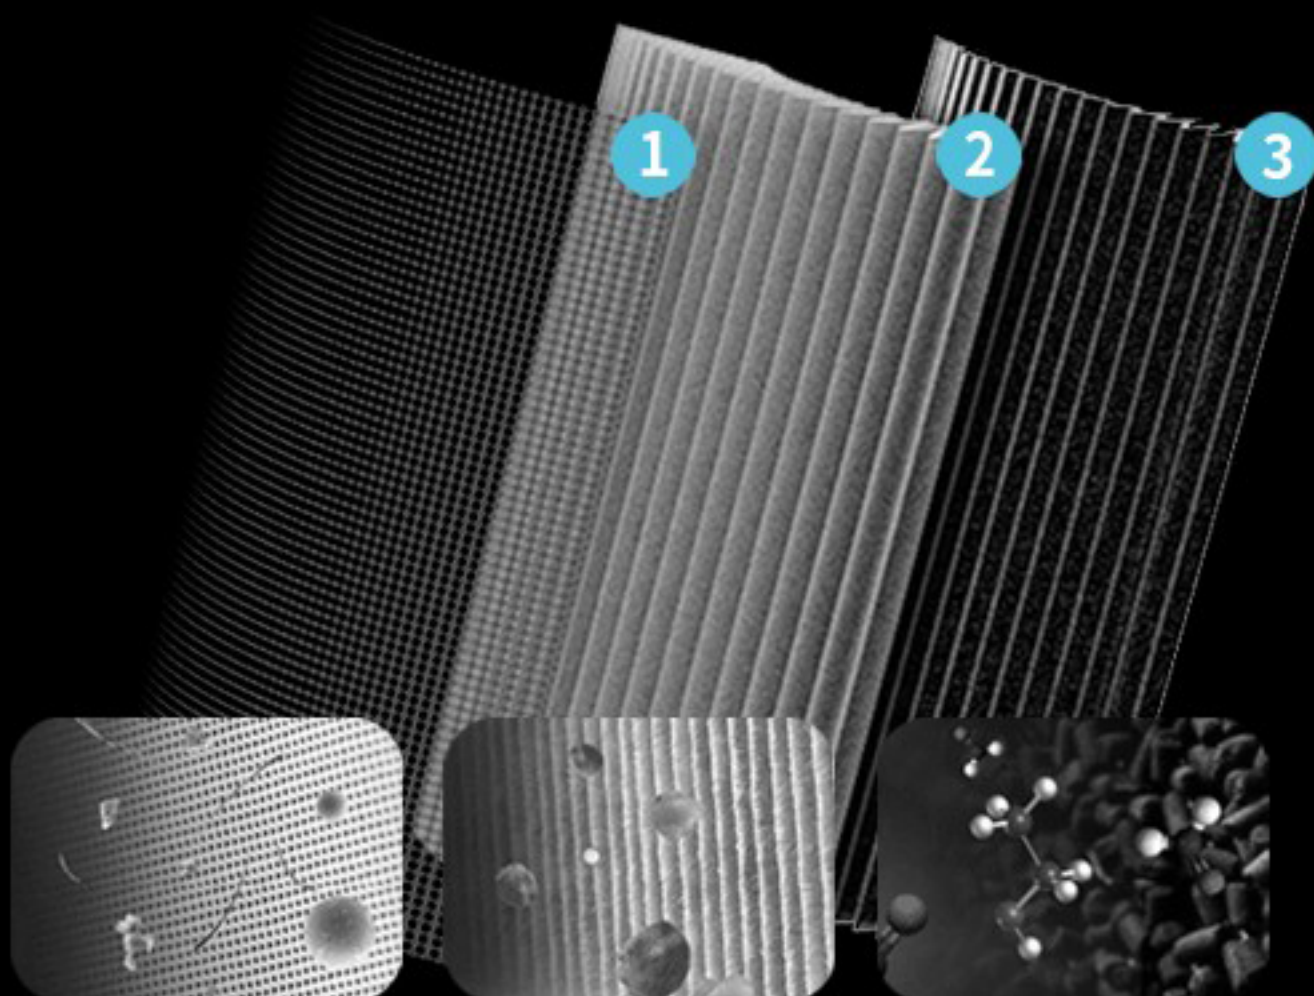

Remove hair, fur, dander, particle, etc.

## 02 HEPA FILTER

Remove particulate pollutants like PM2.5.

## 03 AC FILTER

Absorb and decompose organic chemical pollution

# Invisible Indoor Pollution

Do you know the danger in the car?

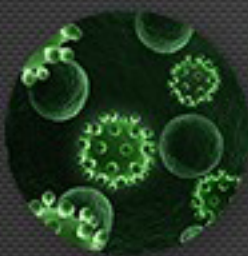

Bacterias

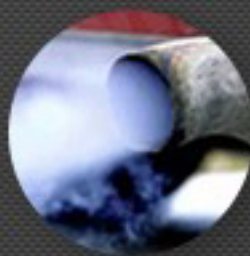

Dust Mite

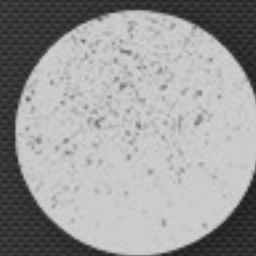

Passive Smoking

Formaldehyde  
VOC

Harmful Gas

PM2.5  
Dust

# Aroma Function

FS105 with built-in foam. Drop in your favorite essential oil, to create a perfumed and comfortable environment.

Aroma Foam

## **Aroma oil**

Fresh air in your car

## AROMA FUNCTION

FS105 with built-in foam to available  
DIY essential oil filled in and create  
a comfortable and perfumed space.

# Portable and Versatile

FH105 can charge other electronic devices while purifying the air.

# Power Bank Function

FS105 with USB interface and built-in lithium battery to charge regular electronic devices like cell phone, MP3, iPad, etc.

USB Interface

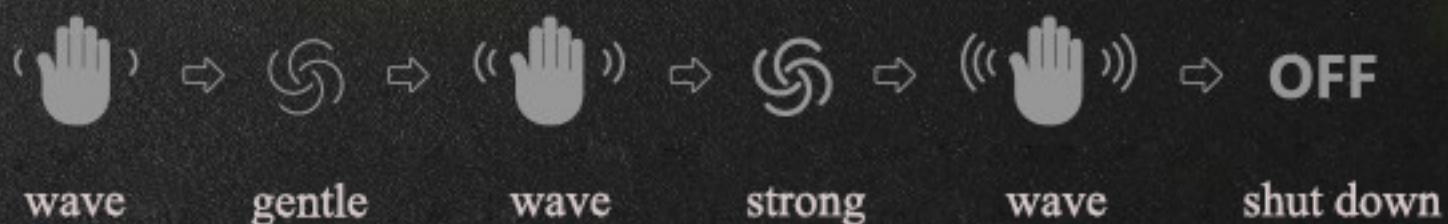

## GESTURE SWITCH

- Simply wave the hand
- Designed for the safe drive

# Gesture Switch Control

Simply wave the hand to operate.  
Designed for the safe drive.

# LED WITH 4 DIFFERENT COLORS

The LED light displays 4 different colors based on PM2.5 data,  
to show different air quality.

Blue

PM2.5: 0-50,

Yellow

PM2.5: 50-100,

Orange

PM2.5: 100-250,

Red

PM2.5: >250,
